www.blackboxsecurity.co.uk is owned and operated by Black Box Security Alarm Systems Ltd. Information collected from users of the site will be stored by Black Box Security Alarm Systems on computers in the UK and may be used in the following ways:

INFORMATION ABOUT OUR USE OF COOKIES

Our website uses cookies to distinguish you from other users of our website. This helps us to provide you with a good experience when you browse our website and also allows us to improve our site. [By continuing to browse the site, you are agreeing to our use of cookies.]

A cookie is a small file of letters and numbers that we store on your browser or the hard drive of your computer if you agree. Cookies contain information that is transferred to your computer's hard drive.

We use the following cookies:

- **Strictly necessary cookies.** These are cookies that are required for the operation of our website. They include, for example, cookies that enable you to log into secure areas of our website, use a shopping cart or make use of e-billing services.
- **Analytical/performance cookies.** They allow us to recognise and count the number of visitors and to see how visitors move around our website when they are using it. This helps us to improve the way our website works, for example, by ensuring that users are finding what they are looking for easily.
- **Functionality cookies.** These are used to recognise you when you return to our website. This enables us to personalise our content for you, greet you by name and remember your preferences (for example, your choice of language or region).
- **Targeting cookies.** These cookies record your visit to our website, the pages you have visited and the links you have followed. We will use this information to make our website and the advertising displayed on it more relevant to your interests. We may also share this information with third parties for this purpose.

You can find more information about the individual cookies we use and the purposes for which we use them in **the table below**:

We use cookies for the following reasons:

- To track the number of times you have visited the site e.g. when your first visit was and when you last visited
- How long you visited the site for
- Where you came from e.g. what search engine did you use or what link you clicked on, what keyword you used and where in the world you were when you accessed the website.
- Remembers the user's selected language version of a website
- Used by Google Analytics to throttle request rate
- Registers a unique ID that is used to generate statistical data on how the visitor uses the web site.
- Used to send data to Google Analytics about the visitor's device and behaviour. Tracks the visitor across devices and marketing channels.

The Help menu on the menu bar of most browsers will tell you how to prevent your browser from accepting new cookies, how to have the browser notify you when you receive a new cookie and how to disable cookies altogether. Additionally, you can disable or delete similar data used by browser add-ons, such as Flash cookies, by changing the add-on's settings or visiting the website of its manufacturer. Please note though that some cookies are essential in order to use the website and in the event that you do reject cookies this may impair the functionality of the site.

For more information about these cookies, how you can opt out of receiving them and how this will affect your use of websites, please go to: www.cookiecentral.com
